# NEBRASKA NURSERIES

**HEAVY FRUITING CRANBERRY BUSH**

Resembles Snowball, white flowers are followed by clusters of bright red berries.

**FORSYTHIA, SPRING GLORY**

The showiest and earliest shrub to bloom; bright yellow flowers appear before the leaves.

FRAGRANT VIRGINIAL MOCK ORANGE

# NEBRASKA NURSERIES

**PERSIAN LILAC—THE PERFECT SCREEN**

Sometimes called Chinese Lilac. Various shades of lavender and purple blossoms literally cover the compact plants in May. This Lilac does not sprout away from the plant as the old-fashioned Lilac does.
